OTHER SKILLS

Computing Experienced in high level programming languages such as PERL, Visual Basic and FORTRAN. Scientific and mathematical applications, for example Mathematica, Origin and LabView. Advanced knowledge of Adobe Photoshop, Premiere, Encore, After Effects, Illustrator, Macromedia Flash and Microsoft Office suite.

Languages Fluent in Gujarati, conversational Hindi, basic French and German.

Interpersonal Teamwork, leadership, negotiation, communication and presentation.

INTERESTS

From 1992-1995 I played cricket for West Hallam Cricket club helped them come third in the county championship. I also play football and basketball. I take pleasure in drawing portraits, cars and landscapes. In my spare time I develop web sites and work on motion graphics design for documentaries, home movies and other amateur video projects. I enjoy travelling in vacations, places I have visited include France, Italy, Greece, Germany, Switzerland, Turkey, Iran, Pakistan, India and USA.
